Headteachers Message—Mrs Bates:

Welcome back to the last half term of this academic year. It is going to be a busy half term indeed, with many activities and events including transition day, parents evening, sports days, Talent Show, Y6 end of term performance and leavers assembly, to name but a few. Keep checking the newsletter for updates on events and in addition, phase leaders will also provide written updates on any news/events for particular year groups.

Although the June forecast is the usual mix of rain and cloud, with pockets of sunshine, it remains key that children come to school every day with 8hr sun protection cream applied and bring sunhats too.

I would also remind parents and guardians that no requests for holidays during term time will be authorised. Please continue to support your child's attendance, learning and progress by not taking holidays during term time.

Mrs Wishaw leaves us today, to take up a new role at Watermill School. We wish Mrs Wilshaw all the best in her new role and thank her for her hard work and commitment to our children during her time at Mill Hill. We are pleased that, through partnership links we have with Watermill, we will still be able to work with Mrs Wilshaw in her new role. Good luck Mrs Wilshaw and thank you.
